

Looking for something interesting to this summer!

Want to learn more about yourself while you explore the Chesapeake Bay Watershed.

Build on your experiences as an Eco Scholar, apply for a student leadership course.

Local scholarship opportunities made possible by a grant awarded to OCPS by the Chesapeake Bay License Plate Fund. Scholarships contingent on the approval of the Commonwealth's budget.

Eco Scholars

Chesapeake Bay Leadership Courses

Week long experience designed to build leadership skills while exploring the Bay.

Twelve \$100 local scholarships available from Chesapeake Bay License plate grant.

The Orange County Public Schools' Academic Gifted program wants to support your interest in life science, ecology and the Bay. Consider applying for one of three Student Leadership Courses open to students entering grades 9 through 12 in the fall of 2010. Courses are 7 days and 6 nights. The \$350 fee covers transportation, food and shelter.

Review the course offerings outline with this handout or at www.cbf.org/Page.aspx?pid=851. Applications available at this website. Apply to the course of your choice. Note applications must be received at the CBF by April 1!

- Complete the attached application for the local \$100 scholarship (deadline: March 22 — scholarships awarded once acceptance has been received).

Don't miss this chance to explore what it means to be a leader in our Bay community and to develop your own leadership goals.
