

Title I Information

Title I Schools with free and reduced percentage numbers* and NCLB (No Child Left Behind) Improvement Status for 2009-10:

Orange Elementary -37.8% Year Four

Lightfoot Elementary - 32.3% Year One - Holding

Unionville Elementary - 35.5% Year One - Holding

Gordon Barbour Elementary - 44.3% Year One - Holding

Public School Choice – Year One

A Title I school that does not make AYP for two consecutive years in the same subject area is identified for improvement and must notify parents of its status prior to the beginning of the school year. The school must offer all students the opportunity to transfer to a school within the division that is not identified for improvement. Lowest-achieving students receive priority in the awarding of transfers. A school in year one of improvement must also develop and implement a school improvement plan.

A Title I school in its first year of improvement that makes AYP is held in first-year improvement status. A school identified for improvement exits improvement status by making AYP for two consecutive years.

Receiving School – Locust Grove Elementary - 10 Students

Note – Locust Grove Elementary is the only school that can receive students under the Choice option for 2009-10 school year.

Supplemental Educational Services & Public School Choice – Year Two

A Title I school identified for improvement that does not make AYP for a third consecutive year in the same subject area enters the second year of improvement. The school must notify parents of its status and continue to offer public school choice. In addition, the school must offer supplemental educational services to low-income students. If funds are insufficient to provide supplemental services to all students whose parents request tutoring, school divisions must give priority to the lowest-achieving eligible students.
